

The image shows a modern lighting installation. A white track is mounted on a dark ceiling. On the left, a long, thin, rectangular light fixture is integrated into the track. To the right, a black adjustable spotlight is mounted on the track, pointing downwards. Further right, a long, thin, cylindrical pendant light hangs vertically from the track. The background is a dark, textured surface.

Neue Möglichkeiten für lineare Lichtlösungen mit **TRANSLUCENT BLACK COVER** für unsere **LEWO 30**.
Im ausgeschalteten Zustand ist nur die schwarze Abdeckung sichtbar, sonst erstrahlt die beleuchtete Linie.

*New possibilities für linear light solutions with **TRANSLUCENT BLACK COVER** for our **LEWO 30**.
When switched off, only the black cover is visible, otherwise the illuminated line shines.*
