

Product family

TUBE

Pendant lamp made of plexiglass, horizontal or vertical installation possible, also as a chain variant (multiple lights vertical) available, available in 2 lengths, protection rating IP20, incl. integrated converter (not dimmable)

ADVANTAGES

- horizontal and vertical mounting possible

CHARACTERISTIC

- made of plexiglass
- degree of protection IP20
- integrated converter (not dimmable)

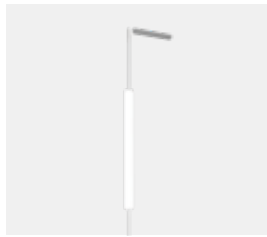

Product overview:

Type:

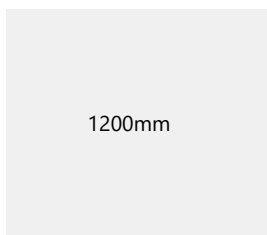

Tube Vertical

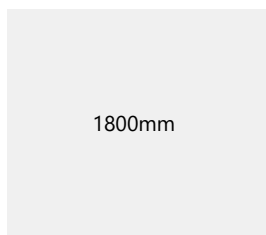

Tube Horizontal

Lengths:

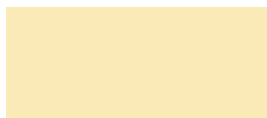

1200mm

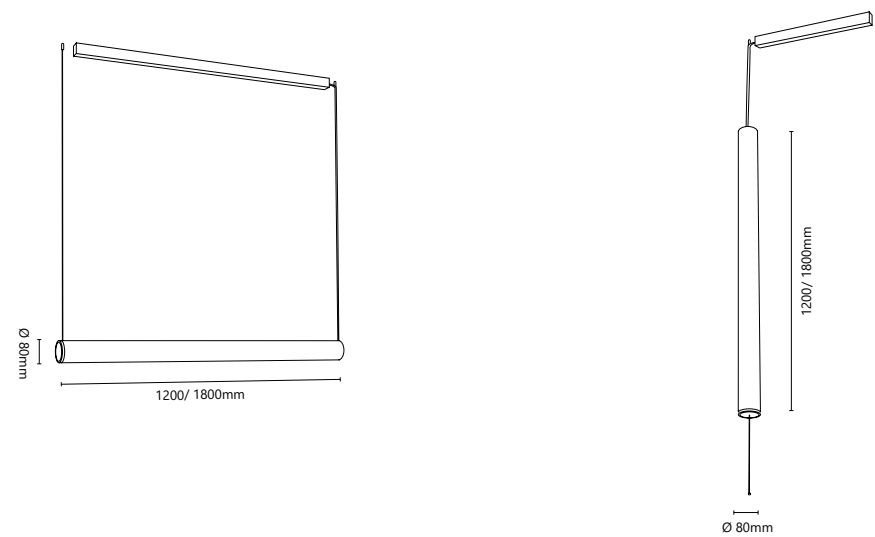

1800mm

Light colors:

3000K warm white

Drawings:

Technical information:

Lengths:	1200mm	1800mm
Total watt:	57W	86W
Net lumen:	3540lm	5010lm
Kelvin (CCT):	3000K	3000K
Protection:	IP20	
CRI:	>90Ra	
Life expectancy:	50.0000h	
Voltage	100~230V AC/ 230V DC	
Converter:	integrated converter (not dimmable)
